

MDIS Merit Scholarship and Academic Rebates

1.1. All STU members, staff and their spouses/children may apply for the following merit scholarships:

- 1.1.1. Merit Scholarship for Master's degree valued at S\$5,000 each for Singaporeans / S\$4,000 each for Permanent Resident.
- 1.1.2. Merit Scholarship for Bachelor's degree (excluding all top-up Degrees) valued at S\$4,000 each for Singaporeans / S\$3,200 each for Permanent Resident.

1.2. Terms and Conditions for MDIS Merit Scholarship:

- Applicants must apply for admission to MDIS before his/her scholarship application will be reviewed.
- Applicants must be a member of STU and remain a member of STU for the duration of their studies; have demonstrated excellent academic performance; have an outstanding co-curriculum activity or social/community work portfolio; and must not currently be studying at MDIS.
- Shortlisted applicants will be required to go through an interview by MDIS before being awarded the scholarship.
- Successful applicants will not be entitled to any other grants, rebates or scholarships from MDIS (including but not limited to the academic rebates listed in clause 2.1 of this Addendum).
- Successful applicants will not be bonded to MDIS.
- The scholarship amount will be deducted from the last instalment payment. If payment is made in full, it will be deducted upfront instead.
- The applicant is responsible for informing STU at the time of application if he/she has received or is applying for any other form of financial assistance.
- Members of STU, in addition to their spouses and children, will be eligible for the following rebates when enrolling in an academic course at MDIS.

2. MDIS Academic Rebates

2.1. Members of STU, staff and/or their spouses/children who have not been granted a merit scholarship will instead be eligible for the following rebates when enrolling into an academic course at MDIS:

- S\$150 discount off course fees for Professional Certificates.
- S\$300 discount off course fees for Diplomas, Advanced Diplomas, and Graduate Diplomas courses.
- S\$1,000 discount for Degree and Master courses.
- S\$1,500 discount for Doctorate courses.

2.2. Additional rebates are also available if:

- There are two sign-ups from the same STU intake and company; all applicants will receive an additional 5% off tuition fees (except applicants in a top-up Degree programme or Merit Scholarship programme).
- There are three or more sign-ups from the same STU intake and company; all applicants will receive an additional 10% off tuition fees (except applicants in a top-up Degree programme or Merit Scholarship programme).

2.3. Terms and Conditions for the MDIS Academic Rebates:

- Students are only entitled to a single academic of the highest value (except for the additional rebates as listed in 2.2).
- Company-sponsored applicants applying for SDF grants are not eligible for these rebates.
- All rebates are based on the course fee before GST and are deducted from the last instalment, or upfront for full payment.
